DEMONSTRATION BY IRANIAN STUDENTS

1. Once again the Agency has received notification from local authorities that a large group of Iranian students (as many as 2,000) is planning to demonstrate at the Route 123 entrance to the Headquarters Building. It is understood that the demonstration is scheduled for the afternoon of 18 August 1978.

2. It is anticipated that the demonstration will be peaceful. Agency employees are requested to go about their business and, to the extent possible, stay away from any area where a demonstration is taking place.

3. The Agency is prepared to close one or several gates if the situation so dictates. Please be prepared to follow the instructions of Federal Protective Officers in case rerouting of traffic becomes necessary.

4. As more precise information becomes available, such information will be posted on bulletin boards at the main exits of the building.
